

25 May 2018

The City Learning Trust and its member academies, of which we are one, sometimes require the use of photographs and video images of pupils to use in a number of different ways, and we would like your consent to do so. We set out, in more detail below, ways in which we use these images.

If you do not wish us to use photographs and video images in the ways listed below, we will accommodate your preference. Similarly, if you change your mind at any time, you simply let us know by contacting the school office.

Why are we asking for your consent again?

New data protection rules come in to force from 25 May 2018. To ensure we are meeting the new requirements, we need to re-seek your consent for the ways in which we use this data.

We appreciate you taking the time to give consent again, as we value being able to use the photographs and video images in the ways listed below.

Please tick the relevant box(es) below, sign and return this form to the school office by **Friday, 8 June 2018**.
